2026 Imperial County Weights and Measures Registration Fees

Fees are based on a statewide fee structure approved by the State Legislature and Governor. Fees partially offset the cost of administering the commercial weighing and measuring program and are based on the number and type(s) of devices and/or point-of-sale systems in use per location. These fees have been adopted in the Imperial County Ordinance Chapter 5.68 and are authorized by the California Business and Professions Code: Device Fees- Section 12240(f)-(t); Location Fees- Section 12240(f); State Administrative Fees- Section 12241, and California Code of Regulations Title 4, Division 9, Chapter 3, Article 3, Section 4075.

All fees are due and payable January 1st. Any registration certificate for which the fees have not been paid within forty-five (45) days from January 1st will be subject to a penalty of one-half the annual Registration Fee. Thereafter, continued failure to pay Registration Fees after ninety days (90) days may result in collection agency reporting and action.

Device Location Fee: ***Each location (scanner/point-of-sale excluded) is charged a location fee of $120.*** A location is considered a business with one or more types of devices that require specialized testing equipment that will necessitate more than one trip. Additionally, if a commercial device is installed on a vehicle, each vehicle is considered a single location.

Registration Fees = Location Fee per Location + County Device Fee per Device + DMS Admin Fee per Device
